☆☆☆ <u>Updating of FBs OS V4.21</u>   3/11/2005

● Revise the Linear Conversion instruction (FUN33)

● Revise the Communication convenient instruction (FUN151 MD2)

● Revise the Read instruction to get 0.1mS high speed timer (FUN92 CN=4)

● When upgrading the PLC OS firmware version V4.20 or later, it needs
   version V1.03 of the update utility Os_update.exe for working.
